## V. M. I. SQUAD IN GOOD CONDITION

Vigorous Practice in Preparation for Morris Harvey College Game To-Day.

[Special to The Times-Dispatch.]  
Lexington, Va., October 31.—In anticipation of the game with Morris Harvey College to-morrow, Virginia Military Institute had a long, vigorous signal practice on the "hill" this afternoon, following up some theoretical instructions to the line men by Coaches James, Wise and Randolph. Bessley, the center, was given some individual coaching in backing up the line, while Cameron and Marshall were taught how to charge.  
On the first team this afternoon Hutchinson, McCabe and Burrows were in the back field, with Lowry, a new man, at quarter. In the line were Richardson, Sommers, Cammer, Bessley, Marshall, Young and Lowry.  
S. Clarkson, Bain, Goodman and Hawkins, who are temporarily out on account of injuries, followed the plays, but did not practice. None of these men will play in Saturday's game. Gallagher, Schaefer, Oakes and Mason were working out on the second team.  
Everything points just now to the defeat of the V. M. I. squad when it meets the Philadelphia team at the Virginia Military Institute on November 3. Sever before has the squad been in better condition nor prospects better for a victory. The struggle promises to be one of the most hotly contested to be seen in Richmond this season.

Lexington, Va., October 31.—On the eve of the first strenuous clash of the football season, Washington and Lee is ready to test her strength. Coach Dowd hustled his henchmen through a short signal drill and a brisk practice this afternoon. While the Generals are not in prime condition, they are not badly impaired by injuries.  
The struggle with Virginia Polytechnic Institute will be the first real battle of the season. Although five teams have been vanquished by neat margins, Washington and Lee has not been forced to extend itself to the limit to achieve victory. While the supporters of the Generals are reasonably sure of victory, the variety is not enthused to overconfidence. A hard fight is anticipated. Washington and Lee's line has not yet been crossed, Johns Hopkins registering the only score, a field goal.  
The squad of forty men, accompanied by the entire student body, will leave for Roanoke to-morrow morning.  
In practice this afternoon, Lille and Young played at half, while Donahue and Beuhring appeared at quarter and full back. Barker and Hendt worked at end, while Nebitt and Miller played guard, Barrow, at center, and Shultz and Miles completed the team at back. These will probably inaugurate the struggle.

[Special to The Times-Dispatch.]  
Blacksburg, Va., October 31.—The Virginia Polytechnic Institute football team engaged in its last hard practice yesterday in preparation for the Washington and Lee game Saturday. To-day the team was given a rest after a slight signal drill. New formations have been practiced during the past week, and the team has shown considerable offensive strength in the scrimmages with the second eleven. Special defensive formations have been tried out in an effort to perfect a defense capable of meeting successfully the line-smashing tactics of the heavy Washington and Lee team.

Parish continues to keep the ball between the bars consistently, and has been showing good form in punting. Several new men have recently reported for the line positions. They have been in college since the beginning of the season, but have only recently concluded to try for the team. MacKroth, Cronin and Montague are the new men who are showing up well. Neither of them is very heavy, but they all possess good fighting spirit and put up an aggressive attitude of ball.  
Enthusiasm is very keen over the approaching contest. The team's supporters realize it will put up a good fight, and that every man will do his best to win the game. It is estimated that over 500 will leave here on a special train to attend the game Saturday.

## RECORD HOLDER KILLED ON TRACK

Percy Lambert in Fatal Accident While Driving at Rate of 114 Miles an Hour.

London, October 31.—Percy Lambert, holder of many world's automobile speed records, was killed on the Brooklands motor-race track today while trying to break the one-hour record.  
Lambert was traveling at a speed of over 114 miles an hour when one of the tires burst. The machine somersaulted, and he shot over the top of an embankment. The driver was crushed beneath the wreckage. He died of his injuries at the hospital.  
On Monday of this week, Lambert captured the fifty-mile world's record, covering the distance in 22 minutes 2.5 seconds. On February 15 on the same track he established a new record of one hour, 104 miles. At the same time he made a new 100 miles record of 51 minutes 42.5 seconds.

Fine Performance of Double Bill.  
In the two plays presented at the Academy of Music last night by John Drew and his admirable company, not only the novelty—to Richmond—of a double bill was offered, but also a rare exposition of the blended arts of acting and play-writing. A comedy of manners in four acts and a dramatic, not melodramatic, sketch in three formed a striking contrast, which was made yet more striking by the finished art and polished skill of the men and women who interpreted them.

Kept in wood, as it were, for a number of years, Hendon Chambers' famous comedy, "The Tyranny of Tears," has grown mellow and richer in its comedy, and is now a masterpiece of the immediate present seem that, stale, or crude in comparison with it.

It is a comedy in the older sense of the word; that is, it is in no sense a farce. It is a comedy in the older sense of the word; that is, it is in no sense a farce.
